We Change Lives

Help Accessing Aid and Attendance

The VA's "Aid and Attendance" benefit is for wartime veterans, or their surviving spouses, who meet certain medical and financial requirements.

VA REQUIREMENTS - 3M's

- MILITARY SERVICE:** Minimum 90 days active duty, with at least one day during wartime, and an honorable discharge.
(Gulf war veterans must have served active duty for 2 years, or the full period for which they were called for active duty.)
- MEDICAL CONDITION:** Non service-connected disability which requires assistance with activities of daily living.
- MONEY LIMITATIONS:** A net worth (income & assets) at or less than \$130,773 (as of 12.1.2020). A primary residence and auto are not counted as part of net worth. Ongoing, unreimbursed medical and long-term care expenses may reduce income.

OUR STORY

Bonnie Laiderman founded Veterans Home Care in 2003 after watching her mother, Edith, struggle with a terminal illness. Her mother was eligible for military spouse benefits, but sadly Bonnie learned about it too late. After her mother's death, she realized senior veterans and their families needed help navigating the VA system. Bonnie not only became an expert, but she launched a company that would go on to help more than 19,000 veterans and spouses get the benefits that her mother never received.
